MESSAGE FROM THE PRESIDENTS

Hello Ladies of AAUW,

Summer is here, and it is time to relax, take vacations and spend time with family and friends. As always, we take a break from our monthly luncheon meetings during July and August, but don't forget that most of our Interest Groups will still be going strong all summer long. So, be sure to check out our calendar for the next two months and stay active in AAUW. Our new Board for 2017-2018 is now in place and will be hard at work planning programs and activities for the coming year. A huge welcome goes to our new Board members Sue McDannel, LuRae MacArthur and Peggy Grzywacz and, of course, to all our returning officers. Thank you to all of you and to our entire membership for your dedication, support and friendship. While other AAUW branches are having problems, WM-FV-HB keeps going strong with 22 new members this year and a host of fun, informative programs. Have a great summer and we will see you in September!

A paved road will lead us down to PCH through a beach access tunnel to the beach. Be sure to view the murals done by elementary students.
Distance on packed/loose sand will be 3-5 miles. Depending upon the tide, we might see the tide pools along the geological formations. Look for crabs, anemones and other animals. We will walk through the Historical Neighborhood of cottages that have been refurbished. Be mindful of your footwear. Incoming waves have a clever way getting your feet wet! Lunch to follow at the Beachcomer on the beach.

**Thursday, August 3
Dana Point Harbor**

Distance: 4-5 miles
Carpool: Ralph's parking lot
Departure time: 8:45am
RSVP by August 2 to Carol Hoke at cawalrus@gmail.com or 714-891-8307
Dana Point Harbor was built in 1971. The harbor is located at the base of 200 foot cliffs. We will follow the trail at the base of the cliffs to the hidden sea cave and explore the tide pools on the way back. Perhaps we will see sea urchins, anemones, starfish and hermit crabs. We may be walking on small rocks along the way. Be sure to wear appropriate shoes. This hike is subject to change depending upon the tide. Lunch to follow.

Quest at Forest Lawn

Linda Janesick guided the June hikers through an unfamiliar section of Upper Bolsa Chica wetlands. Along the trail, we discovered a special message left for us by an earlier hiker. "Hi" back to you Mr. J.
