## General Meeting Luncheon Reservations

The lunch count is provided to the venue the Monday or Tuesday after the reservation dead-line noted in the Tri-City Dispatch. **IF** you know your check will be late, contact the reservation person for that month and let her know you will be attending (check in the mail). In addition, if you find that you will not be able to attend after sending in your check, contact the reservation person and arrange to have your check: 1) held for the following month (exception JUNE), 2) destroyed or 3) as a donation to the General Fund. **Also**, if you plan to come to listen to the speaker **ONLY**, let the reservation person know so there will be enough chairs along the wall and be prepared to pay the \$5.00 NO LUNCH fee (can be cash).

We do not accept cash for reservations, only checks. The day of the general meeting luncheons, we only accept checks **IF** prior arrangements have been made.

Per Branch Policy, there will be no refunds for non-attendance at a program event and/or the annual meeting.

## Presidents' Message

Dear Friends of the Branch,

Summer has arrived (although a little gloomy), and with it our last official luncheon meeting until next September. Many thanks to all of the wonderful board members who have served our branch over the last year or two, and a very warm welcome to our new and returning board members!

With June arriving brings graduations of young women taking the stage to get their diplomas, but graduating to staggering debt. Women hold almost two-thirds (\$929 billion with a "B") of the country's (\$1.46 trillion with a "T") student debt, according to a new analysis of AAUW's report *Deeper in Debt: Women and Student Loans*. Sadly, as women graduate, they are already at a significant financial disadvantage, with higher debt and lower pay in their first jobs than men. On a more positive note, the Class of '19 is the most racially and ethnically diverse U.S. college student body ever. Women earned 57% of Bachelor's Degrees in 2019. Despite all the advances women have made in education, they still face a pay gap from the moment they graduate.

We hope all of you have a wonderful, relaxing two months – but please don't forget that most of the Interest Groups have activities all summer long. So be sure to check the calendar for the July and August activities. Thanks so much for your friendship and support for our branch and its mission in helping girls and women be the best that they can be. See you in September – or before.

As we look forward to a new year for AAUW, please read your Tri-City Dispatch for opportunities as to how you can be involved in activities so as to keep our branch alive and effective. Enjoy your sunlit days and blue skies.

Bev Nogy and Carole Smith, Co-Presidents

### QUEST

#### SEPTEMBER QUEST

Our first Quest for Adventure will be to the Christ Cathedral (formerly the Crystal Cathedral) to see the exhibition of the Sistine Chapel artwork. Details will be in upcoming newsletters but mark your calendars now for Thursday, September 12!

The traveling exhibit features 34 of Michelangelo's renowned Sistine Chapel frescoes, including the iconic "The Creation of Man," in which God and Adam are reaching towards each other, their index fingers nearly touching. The frescos have been digitally emblazoned on fabric panels to within centimeters of their actual size. They are displayed in the exhibit in roughly the same position as they are in the Sistine Chapel, either as walls or above as a ceiling.

Quest leader for this exciting adventure is Carol Valcarcel. ([carol.valcarcel@aol.com](mailto:carol.valcarcel@aol.com))
