Presidents' Message

Hello All!

March is peeking around the corner. Will the month come in like a lion and go out like a lamb? As we leave the month of love, please share your affection for AAUW. Let us continue to show love for the girls and women in our community by donating your time and energy towards our Authors Luncheon.

Please add your voice to AAUW CA, support for public school education. Read about The School Board Project. Collectively, our voices will continue to advocate for issues reflected in our mission statements. Maybe this is the year you participate in Lobby Day on April 9th via Zoom.

Now is the time to help our branch grow stronger by serving on our board. There are many talented, wise, and skilled women amongst us. Please talk to current or past board members about their experiences. Thanks for supporting our work.

Warmly,

Donna Kratter and Ann Kajdasz, co-presidents

THE DR. WILLELLA HOWE-WAFFLE HOUSE AND MEDICAL MUSEUM

If you have ever been to a doctor's office, a hospital or given birth, you will be awe-struck seeing the early equipment they have on display!

This grand 2 ½ story Queen Anne style Victorian house was built in 1889 and was the residence and medical office of one of the first female doctors in Santa Ana who delivered more than 1000 "Waffle Babies".

The house has been moved to this location to save it from demolition and has been thoroughly restored by volunteers from the Santa Ana Historical Preservation Society. The house is located at 120 Civic Center Dr on the corner of Sycamore with its own adjacent parking lot. The old Orange County Courthouse is across the street. We will meet in the parking lot at 9:30 a.m.

There are about 4 steps, with a handrail, to enter the house to the first floor where most of the museum and interesting furniture are located. The tour does go upstairs if you care to view that area also since it was used for her children and later her patients.

There will be a \$10 charge for this Quest tour as it will also include tea and cookies served at the antique dining table and chairs.

Lunch at Crave Café a short drive from the house with free parking at 410 W. 4th Street.

Please contact Barbara Islas if you are able to attend:

DONATIONS AND BASKETS NEEDED!

As you all know, we always have a silent auction of gift baskets at our Authors Luncheon. This is a huge moneymaker and we need your help in collecting donations. Gift cards, unopened gifts that you have never used, and items from local businesses are needed to fill the baskets (which we also need!) We will have letters available to request donations from businesses and tax forms for any donors. Please keep track of where you get donations so we can list the businesses in our Authors Luncheon program. Also, this year we are asking members who receive business donations to send out the thank you letters themselves. It was very confusing last year and we are trying to streamline the process. We have form thank you letters that you can use. Many thanks for all your wonderful assistance in making our luncheon a huge success!

AUTHORS LUNCHEON MEETING

The next meeting of the Authors Luncheon committee will be March 21 at 10 a.m. at the home of Donna Kratter. The jobs have been assigned, and most decisions made but we want to make sure everything is good before our luncheon in April. Please join us if you would like to help out. We can certainly use eager and talented volunteers to make our event a success!

Opportunities to Invite Prospective New Members

As 2025 gets going, you have so many opportunities for inviting your friends, neighbors, or family to find out about AAUW. Quest, Book Club, Travel Club, and Happy Hikers are great places on a monthly basis for new people to get to know our members and exchange ideas. Our monthly branch meetings offer a time for social interaction as well as hearing interesting speakers and learning about our Tech Trek and scholarship projects.

But our annual Authors Luncheon only happens once a year. And it is coming soon – April 26! This is an exciting time to hear from local authors and raise funds for our Tech Trek and scholarship projects. Check it out elsewhere in this newsletter. Plan to attend and bring a friend or two!

John W. Thill

John Thill, born in Oceanside, attended Oceanside and El Camino High Schools, then studied business and speech communication at San Diego State University. His father had influenced him to pursue bodysurfing, hunting, and fishing. He is now a wildlife conservationist.

After college, he worked for the Jazzercise Corporation and helped establish JM Television Productions. For 24 years he served in the Hi-Noon Rotary Club and the Rotary Club of Carlsbad, experiences that helped him develop lifelong friendships and a new understanding and appreciation for service. For 19 years Thill worked as a partner in Carlsbad's Personal Strengths Publishing Company. He supported and facilitated leadership and team-building courses for PricewaterhouseCoopers, Indian Health Services, Amazon's Leadership Institute, Harvard's School of Public Health, the University of California Office of the President, and USC's Marshall School of Business.

It took him 36 years to finish and publish A California Love Story, a compilation of letters exchanged between his grandparents in the 1920s.

Hong-My Basrai

Born and raised in Saigon, Vietnam, Hong-My Basrai (née Lê Thị) is fluent in Vietnamese and French. From a very young age, Hong-My has demonstrated a propensity for literature and a love of languages. Transplanted at age 22 to Southern California, she learned English and improvised upon the borrowed language to make it her own.

She holds a degree in Chemical Engineering, and an informal degree in self-taught English. Hong-My is the author of Behind the Red Curtain, A Memoir, about her seven years living inside fallen Saigon under communism. Her writing appears in Eastlit Literary Journal, 2011.

She is a member of the Writers' Club of Whittier, and a board member of Finlandia Institutes of the Arts, a nonprofit organization whose mission is to recognize, support, and expand literary activity in the Inland Empire. She also serves on the board of PIVOT to elevate progressive Vietnamese Americans' political voice.
