THIS YEAR'S TECH TREK GIRLS

Thanks to the success of our Authors Luncheon, our branch was able to send seven girls to Tech Trek. Six went to the in person camp at Whittier College, and one participated in the virtual program. They are Jolie Sue, Kristen Marcos, and Katelyn Nguyen from Stacey Middle School (pictured), Ruth Le and Katherine Ng from Warner Middle, and Adelynn Ferreira and Karina Velasquez from Johnson. At our October meeting they will describe to you some of the highlights of their experience. One of our members, Lisa Swanson, also participated in Tech Trek as a “dorm mom,” and is eager to share her views with you as well. It should be a very interesting program! Don't miss it.

Presidents' Message

It's hard to believe, but summer is gone and fall is almost upon us. We have a flurry of holidays over the next few months to enjoy with family and friends. But let's not forget the most important holiday of all: ELECTION DAY NOVEMBER 5. Make sure you are an educated voter by reading the voter and ballot guides when they are mailed to you. Also, AAUW has a site <http://www.aauwaction.org/voter-issue-guide> to let you know about the organization's issues to be considered in November. The League of Women Voters also has a site [VOTE411 | League of Women Voters](http://www.vote411.org) where you can enter your address to get voting, ballot initiatives, and candidate information. It is not yet operational, but will be soon. So please let your voices be heard and VOTE on November 5! We can all make a difference!

Also, please join us at our General Meeting on October 26 (note later than usual) to meet and support our lovely Tech Trek girls. Our branch is strong and fun because of all of you!

Sincerely,

Donna Kratter and Ann Kajdasz, co-presidents

Modjeska House/Arden

29042 Modjeska Canyon Road

Silverado

In 1876 Helena Modjeska, a Polish actress, came to Anaheim to join a farming commune. After this venture failed, she struggled to learn English, returned to the stage, and became a famous US Shakespearean actress; she crisscrossed the nation via rail and was the first actor to own her own railroad car.

Helena and her husband, Count Bozenta Chiapowski, settled in Silverado Canyon (1888-1905). They called their 1600-acre estate "Arden" after the forest in As You Like It.

AAUW California Programs

The American Association of University Women (AAUW), founded in 1881, is the nation's leading organization advocating equity for women and girls. Its national membership of 170,000 members and supporters seeks to advance equity for women and girls through research, education, and advocacy. People of every race, creed, age, gender, sexual orientation, national origin, and level of physical ability are invited to join.

The organization's presence in California began when the San Francisco branch was established in 1884. By 1921, with thirteen active branches in the state, branch leaders saw a need for a statewide organization. The constitution for AAUW California was approved in October 1921.

AAUW California is an active and diverse organization for women with nearly 9,000 members in more than 100 branches. In addition to their local brand of programs and activities, most branches participate in one or more of the state's signature programs: Tech Trek, Speech Trek, or Gov Trek.

Westminster-Fountain Valley-Huntington Beach, CA

In principle and practice, AAUW values and seeks a diverse membership. There shall be no barriers to full participation in this organization on the basis of gender, race, creed, age, sexual orientation, national origin, or disability.

The mission of AAUW is to advance equity for women and girls through advocacy, education, and research.

AAUW is California's most active and diverse organization for women offering action for equity, personal and professional growth, community leadership and friendship.
